

## VT 8200 USB Headset

Engineered to boost efficiency.

Professional corded headset.

Enhanced productivity.

- Outstanding audio from call to music
- Integrated busylight to avoid interruptions
- Medical-grade liquid silicone headband, soft and comfortable
- Passive noise cancellation keep you on your conversation
- Easy call management using control unit

## **Technical Specification**

Audio         Microphone frequency range         100Hz − 10kHz           Speaker size         D40mm           Speaker bandwidth - Music mode         HiFi, 20Hz − 20kHz (wideband)           Speaker bandwidth - Conference mode         100Hz − 8kHz (wideband)           Speaker sensitivity         93±2dB           Speaker impedance         32±4.8Ω           Active Noise Cancellation         No           Passive Noise Cancellation         Yes           Call control         Answer/End/Reject/Redial call, Microphone mute, Volume up/down           Discreet boom arm         Boom arm can be rotated back to the vertical position near the headband           Busylight         Integrated busylight           Connectivity         Connection         USB 2.0, USB-A, USB-C         Plug and play           Connectivity         Box content         VT 8200 USB headset, pouch, Quick Start Guide, Warning & Warranty leaflets           Packaging dimensions (L x W x H)         216X172X49mm         Stereo headset: 192g           Weight         Mono headset: 142g         Stereo headset: 192g           USB cord length         Control cable: 130cm         Headset cable: 85cm           Warranty         2 years           Certifications         CE, FCC           Operating temperature         -10°C to +50°C		1	
Audio  Au	Audio	Microphone concept	Noise cancelling unidirectional microphone
Audio		Microphone frequency range	100Hz – 10kHz
Audio Speaker bandwidth - Conference mode Speaker sensitivity 93±2dB Speaker impedance 32±4.8Ω Active Noise Cancellation No Passive Noise Cancellation Ves  Call control Discreet boom arm Boom arm can be rotated back to the vertical position near the headband Integrated busylight Compatibility Support Skype for business,MS Teams and support 3CX,Jabber,Avaya,CounterPath Bria etc combining with UCM app  Connectivity Connection USB 2.0, USB-A, USB-C Packaging dimensions (L x W x H) VT 8200 USB headset, pouch, Quick Start Guide, Warning & Warranty leaflets Packaging dimensions (L x W x H) USB cord length Control cable: 130cm Headset cable: 85cm Warranty Certifications CE, FCC		Speaker size	D40mm
